

KX Swing Gate Opener

KX平开门机

KX207是我司引入国外先进技术，研发的丝杆式机械传动平开门机。HR24型电动平开门机是具有紧凑结构和大启动力的轮式平开门机，可以满足客户的不同要求和在不同环境下使用。

KX207 swing gate opener with screw mechanical drive is arm style, using advanced technology introduced from abroad. HR24 swing gate opener structure compacted and big start power is tyre style. It can meet clients' different demands in different environments.

主要技术参数

- 名称	规格
- 电源电压	AC 220V 或 DC 24V
- 开门推力	500n
- 遥控距离	50m
- 升降差落	0~300mm
- 运行速度	10~15米/分钟
- 环境温度	-40°C~+50°C
- 电动机功率	80W×2
- 开门机尺寸	高355mm×宽138mm×深152mm
- 控制器尺寸	高220mm×宽160mm×深75mm
- 包装重量	23.8kg/箱

TECHNICAL PARAMETERS:

- Name:	Specification
- Voltage of power:	AC 220V or DC 24V
- Thrust of opening:	500n
- Remote distance:	50m
- Fall:	0~300mm
- Running speed:	10~15m/min
- Environmental temperature:	-40°C~+50°C
- Motor power:	80W×2
- Size of door machine:	H355mm×W138mm×D152mm
- Size of controller:	H220mm×W160mm×D75mm
- Weight:	23.8kg/CTN

功能特点

- **单、双开选择**：通过遥控器操作，可实现单扇独立或双扇同时开、关门。
- **重复操作限制**：防止开门到位过冲时，误操作造成大门损坏。
- **红外保护**：通过外接红外检测器，运行中有行人或车辆通过，即自动停止。（选配件）
- **按键锁定**：通过遥控器操作，可使控制面板所有按键功能被锁定，防止盗开。
- **遇阻自动停止**：运行中遇到行人、车辆或障碍物，能自动停止，确保安全。阻力大小在控制器内设定。
- **时间保护**：门机单次运行时间设定在60秒内，确保电机安全。
- **自动关门**：开门后，在设定时间内自动关门。（选用功能）
- **备用电源接口**：可选用蓄电池或太阳能电池作为备用电源。（选配件）

FEATURES:

- **Optional opening**: It can be opened and closed single or double doors by remotor controller.
- **Limited operation**: It can protect gate from damaged when the door overshoot its limit.
- **IR protection**: It will automatic stop through infrared detector when meeting pedestrians or vehicles.(optional accessory)
- **Key lock**: Keys on the control panel are locked by remote control against burglars.
- **Autostop**: It will automatic stop when meeting pedestrians, vehicles or obstacle in operation and the resistance is set in the controller.
- **Guard Time**: To make sure the motor is safe, the single running time is limited within 60s.
- **Self-closing door**: Door is self-closed in time set after the door opened. (optional function)
- **Standby power interface**: Either battery or solar cell is available for backup Battery.(optional accessory)
